Doc's firework show

by Blakartoffel

Summary

Doc prepared a firework show to blow them into the new year

Notes

Was this prepared? No, this was as last minute as possible. But happy new year! I already have some wonderful plans and drafts waiting

See the end of the work for more notes

The year was about to end, every Hermit (and visitors too) were gathered around the overworld spawn. Glass of champagne in hand as they watched the giant clock Xisuma had built tick down towards midnight.

“10, 9, 8-” Everyone started counting, “3, 2, 1- happy new year!”

Glasses clinged as people wished one another an amazing new year.

The massive fireworks show started too. It sounded like someone was trying to blow the place up.

“You went big again dude,” Ren remarked with a smile while nudging Doc.

“Of course,” Doc responded proudly, “How else would you know it's me?”
