The Blooper Reel

by AnonymousWriter2022

Summary

Outtakes of scenes from the Hotel Transylvania movies in the style of Pixar bloopers

Chapter 1: HT 1

Blooper 1

Wayne and Wanda's wolf pups burst in through the front door of the hotel. They run over the guests, jump on the piano, and steal luggage. One of the pups notices the camera, sniffs at it, and then bites so that the shot is of the inside of its mouth. Then, it releases it and lifts a leg up to wet on it

Director: NO! No, not on the camera! CUT!!

Blooper 2

The monsters are in the hotel lobby after arriving. A small spider weaves its way down in front of Drac.

Spider: We're ready!

As the spider goes back up, camera reveals the weaved words on the web. But instead of "Happy Birthday Mavis" it says "Bleh-bleh-bleh!" Dracula's jaw drops open and his friends laugh

Drac: Alright, who put the spider up to this? Huh? I demand to know! I do *not* say bleh-bleh-bleh!

Dracula groans as nobody is particularly listening to him and finding his complaints funny

Drac: I'll be in my trailer

The Count stomps away angrily while his friends, still laughing, try to convince him to come back.

Wayne: No, Drac, wait!

Frank: It was just a joke, buddy, lighten up!

Blooper 3

Dracula and Johnny are inside of the hotel's storage closet.

Johnny: Wow! This room's kind of small for a big castle. No bed, but check out these awesome dustpans they give you.

Dracula: Quiet, you fool! What weapons are you keeping in this container? Your pitchforks...?

He goes through Johnny's backpack and pulls out one of his T-shirts. Dracula smells it, and recoils.

Dracula: Ohhh! I can't *breathe!* It's *killing* me!!

He then gags and offscreen is heard vomiting.

Johnny: It *is* due for a fluff and fold, but it's not *that* bad!

Director: Cut!

Blooper 4 - take one

Dracula and Johnny are inside the hotel storage room.

Johnny: Woah! Check out these costumes!

Dracula: Costumes!

Drac grabs Johnny and hauls him offscreen. A shot of the outside of the room is shown as rustling about inside is heard. The door opens a moment later and the pair come out, with Johnny costumed as a vampire with a cape, sleeked hair, and fake fangs

Johnny (with a Transylvanian accent): Check it out, I'm a vamp dude, bleh-bleh-bleh!

Drac (angrily): No, no, no, cut! Cut the scene!

Johnny: Wait, why? What's wrong?

Drac: What's wrong is that I don't say 'bleh-bleh-bleh'! No vampire does!

Johnny: Huh. All right, I guess we could try another monster

Drac: Yes, PLEASE

Blooper 4 - take two

Outside of the storage room is shown again. The door opens a moment later and Drac and Johnny come out. This time, Johnny is wrapped up in toilet paper from head to toe and is having difficulty walking.

Johnny: Check it out, I'm a mummy man!

Tries to take a few more steps but trips. Dracula groans.

Drac: Cut!

Johnny (from down on the floor): I think we should try the Frankenhomie, to be honest

Blooper 5

Johnny is in the hotel lobby realizing that all the guests are actual monsters. When he goes to scream, he gets into a coughing fit

Johnny (in a raspy voice): Oh man, sorry about that guys, I was practicing the scream all morning and now I threw out my voice

He briefly grabs a bottle of water to drink.

Johnny: Okay, I think I'm good now, let's take again!

Blooper 6

Johnny, Drac, and monster guests are in the hotel lobby. Clapstick comes down on clapboard.

Director: Action!

Johnny slips on Blobby's slime and accidentally gets a ride on the witch's magic broomstick. He knocks into several things as he flies around the lobby, including one of the cameras which gets knocked down. More equipment can be heard being crashed into as other cameras and wires fall as Johnny gets flung offscreen

Johnny: Ow! Sorry about the cameras, guys, I can pay for that!

Director: Cut!

Blooper 7

Dracula and Johnny are walking through the catacombs of the hotel.

Dracula: I'm not down here much. It's meant to be an exit if the humans ever invade

Johnny: Oh, so I'm, like, the first human here, huh? That's really cool

Dracula reaches another secret door and pulls the lever to open it.

Dracula: Okay, I think this is it.

He opens the door, but on the other side sees the Drac Pack on break and having lunch.

Wayne [to the friends]: … so I told him, ‘you’d better give me back my frisbee, or else I’ll’ -

He stops mid sentence as he notices Drac and Johnny

Wayne: Oh, whoops! Are we supposed to be on?

Frank: I thought it was supposed to be for the next scene!

Drac: Oops, yes, sorry! My mistake. Wrong door, I’ll catch you guys in five once we retake this scene

Director: Cut!

Blooper 8

Clapboard in front of the screen and then the clapstick comes down.

Director: Action!

Frank (to his right arm): You have a cousin?

Dracula: Frank, if your arm could talk, it would tell you that the original owner of your arm had a brother, who married a woman, who was (makes a killing gesture) for strangling a pig!

Director: Cut!

Drac: What? What was wrong with that?

Johnny: Drac, half of those lines *I* was supposed to say!

Drac: So?

Frank: You have to follow the script, buddy

Drac: Alright, alright, whatever

Blooper 9

Johnny: I can’t believe I’m leaving, man. I could’ve been so great! Dude, you ruined everything! Suck my blood? I should’ve said, “I’m staying old man!” Give him a Bruce Lee kick. Boom! Right in the the -

Camera pans over to show Drac standing there with his arms crossed and startles Johnny

Johnny: AAAH! Drac! Oh my God, don’t kill me! I’m leaving! (*runs away)*

Director: Cut! You’re not supposed to be in the rest of this scene, Drac

Drac: (laughs) I know, I know, I just wanted to mess with him

Blooper 10

Dracula bursts into the kitchen where Quasimodo is going to cook Johnny

Quasimodo: Bonjour, Monsieur Dracula!

Drac: Shut your hump hole

Drac removes Johnny's ties and frees him

Quasimodo: Now you are helping him? What is it with you and this human?

Dracula: He's not a human, he's a *Stain!*

Johnny: That's right, little man! I'm a…

He pauses, realizing what Dracula said.

Johnny: Wait, a 'stain'? What does that mean?

Laughter is heard and Dracula facepalms

Dracula: I mean a *Stein!* He's a… [sighs] Can we redo that scene?

Director: Cut!

Blooper 11

Winnie is presented Johnny's shirt, and she inhales

Winnie: He got into a car. 86' FIat. Needs a little transmission work, but otherwise okay. It drove through town to the airport. Flight 497. 8:00 am departure.

Dracula: That's in 15 minutes!

Winnie: Seat 23A. He ordered the vegetarian meal - scrambled egg whites from cage-free hens, seasoned with pinches of salt and pepper, with a side of toast that was slightly burned and then topped with homemade maple syrup. The drink was a cappuccino with an extra shot of espresso and topped with 3 ounces of whipped cream. All a total of 453 calories, 20 of which have already been burned.

Dracula: Okay, cutie, I think that was enough (laughs and the directors laugh too)

Winnie: Do you want to know what the other passengers had?

Wayne: It’s okay, WInnie, we’ll try the scene again, but this time just stop at ‘vegetarian meal’ okay?

Winnie: Okay, pop!

Wayne (to director): Okay, we’re good!

Blooper 12

Hearse is driving down the road. A sheep is seen standing in the middle

Dracula: SHEEP!

Griffin turns the wheel sharply and drives off of the road. The hearse barrels down the hillside. It continues to drive down until it reaches the next road on the cliff, only, the hearse breaks through the railing and the hearse falls off the cliff completely. Screams are heard from the monsters

Director: Ooo, cut! Someone call medic!

Blooper 13

Mavis is sitting next to the window. Dracula as a bat is about to fly in, but instead crashes into glass. Mavis looks over surprised.

Mavis: Dad?

Director: Oops, forgot to remove the screen on the window. Retake!

Blooper 14

Mavis and Dracula are in the former’s room.

Dracula: You know, Mommy already gave you your birthday present. Can I now give you mine?

He picks up Johnny’s backpack to show her.

Mavis: What do I need this for?

Drac: Oh, it comes with an accessory!

He turns the backpack around, but Johnny isn’t there.

Drac: Huh? Johnny, where did you go?

The backpack unzips and Johnny pokes his head out.

Johnny: Oh, I’m right here! Did I miss my cue?

Dracula groans.

Drac: Johnny, you weren’t supposed to be *in* the backpack, you were supposed to be hanging from the *outside* of the backpack!

Johnny: I think popping out from the inside is cooler!

Drac (threateningly): *JOHNNY…*

Johnny: All right, all right, chill, we can do a retake. I’ll be outside this time, okay?

Dracula rolls his eyes and the director cuts

Chapter 2: HT 2

Blooper 1

Everyone is at the wedding reception of Johnny and Mavis. Dracula pulls out his ukulele to sing for them

Dracula (singing): *And you'll always be my moonlight, but now on wings of love you soar, now that you're Johnny's g -*

Suddenly, one of the strings breaks midsong

Drac: You've got to be kidding me!

Director: Cut!

Dracula groans.

Drac: I told you we should have gotten a brand new one!

Frank: But Drac, it *is* new! I think maybe it's your fingernails. You ever thought of cutting them down?

Drac: It's never been a problem before!

Murray (whispering to the camera): He's in denial!

Blooper 2

Dennis is held up by the monster doctor and Drac, dressed as a nurse, grabs the baby

Drac (in a female voice): Oh! It's a boy! It's a boy! The Dracula bloodline carries on!

Suddenly, his bouncing around causes the blonde wig to come off of his head and for the watermelons in his chest fall out and splat on the ground.

Drac (still in female voice): Uh OH! Ehh… clean up on aisle 1!

Director: Cut!

Blooper 3

Dennis, Drac, and the Drac Pack are inside the hearse. Clapstick comes down on clapboard.

Director: Action!

Drac: You see, Denisovich, monsters are nice, just like you! But when the moon comes out, the *real* monster fun begins: being *scary!* Right guys?

Drac's friends are busy listening to "*Worth It"* by Fifth Harmony. Drac shuts off the music.

Drac: Guys! What is wrong with you?

Frank: Come on, everybody likes that song.

Drac: We're not 'everybody.' We're scary monsters, remember?

Dracula puts in a new CD

Griffin: Hey, what are you putting in?

Dracula: It's an audiobook! "*Bigfoot's Life Story"* he reads it himself.

Dracula presses play, but instead of the book it plays Fifth Harmony's other song *"I'm In Love With a Monster"* The pack starts to dance to that song instead as Dracula groans.

Murray: Woah! Bigfoot's got some groove! A real taste for music, for sure!

Drac: What?! NO! That's not the right one! UGHHH…

Director: Cut!

<u>Blooper 4</u>

The Drac Pack is in the woods with Dennis.

Wayne: Listen, I'm not gonna set monsters back again just to make your grandkid like vampires. Anyway, there's nothing to kill here. It's all been -

Suddenly, they hear a noise and out of the shrubs comes Elliot from Open Season along with Boog.

Elliot: Huh? Oh, no, no Boog, I told you there were hunters on this side of the forest!

Boog: Relax, El, I'll handle this. (clears his throat and speaks to directors). Our mistake folks, nothing to see here, we'll just be on our way

The pair exit through the shrubs and the director calls for a cut

<u>Blooper 5</u>

Dennis, Dracula, and the Drac Pack are on top of the rickety tower in Camp Winnepecaca.

Dennis: I wanna fly now!

Dracula: Atta-bat! You know Papa's right here if you need him.

Griffin: Ugh, I can't watch this

Murray: *Please* don't

Dracula: Here… we…. Go!

Dracula throws Dennis off of the tower. The monsters all lean over the edge to watch him go down. Suddenly, a large cracking sound in the wood is heard. The monsters eyes all widen as they realize what is about to happen, and then they all fall down screaming as the tower breaks beneath them.

Frank (fading): I knew coming up here was not a very good ideaaaaa!

Director: Cut!

<u>Blooper 6</u>

Dracula, the pack, Dennis, Mavis, and Johnny are all outside the front of the hotel.

Dennis: Mommy, I flew!

Mavis (angrily): I saw

She pulls out the phone and starts to play the Dracula Remix from YouTube. Blobby begins to dance, and Murray begins to bop his head too.

Murray: It really *does* have a catchy beat, Blobster!

The mummy begins to dance, influencing the other monsters to dance too. Drac crosses his arms

Drac: Are you kidding me right now?!

Director: Cut!

<u>Blooper 7</u>

Drac: Nauseated to meet you

Brandon: So when does this happen? I got a book fair in half an hour

Suddenly the doors open up widely from the other end of the room and Vlad appears. The camera zooms in, but zooms in too fast so it hits him in the head.

Vlad: Ow!

Cameraman: Sorry Mr. Vlad sir!

Vlad: Yeah, you should be, Shlumpy! One more mistake outta you and you'll be dinner tonight!

Director: He doesn't really mean that

Vlad (turning to speak to the camera): And I do mean it too!

His pals beside him laugh

Drac: Sorry guys, I had a frog in my throat

At this, Dracula literally coughs up a frog from his throat who, covered in saliva and shaken, quickly hops offscreen

Director: Cut!

Blooper 2

Dracula and the monsters are running on top of the train. They reach the end of the last boxcar where they see Van Helsing approaching. Dracula gets ready to push them off

Drac: Sorry guys!

He shoves them, but his cape gets caught up on a loose wrapping of Murray. They all end up falling off of the train together as Drac screams along with them

Director: Cut!

Blooper 3

Drac and Frankenginger are on the dance floor. Dracula changes the music of the DJ booth to the rock song. Frankenginger releases Drac.

Dracula hides with his friends behind Bigfoot

Frankenstien: What's a matter Drac, you didn't like her?

Griffin: No offense, but you haven't had a date in over a hundred years. You can't be *too* picky

Drac: Look, guys, I appreciate your concern, but -

Frankenginger suddenly appears right next to Drac

Frankenginger: There you are!

Drac: ACK! Get her away from me!

Ericka: Mmm-hmm…

Dracula: 'Lord of Smoochy Time'...
