Yuri: kity :)

7:45 AM
Sayori ☀: YURI HUH
Yuri: ? What did I do?
nat: kity :)
Sayori ☀: SCROLL UP
Yuri: What
Yuri: I dont remember taking that. Or going to bed that late, for that matter.
Moni x3: You weren't supposed to make your poems literal-
Yuri: That cannot have been me who sent that...
Yuri: I wouldn't cradle a raccoon like a baby, would I?
nat: you would
Sayori ☀: YOU DID
Moni x3: You would, yeah
Yuri: :(Perhaps I have a case of sleepwalking. Alas.
Yuri: I should get tested for rabies...

5:01 AM
Yuri: [picture of the same raccoon at her window]
Yuri: kitty is back...

7:25 AM:
Yuri: There is a fucking raccoon in my house. It is, in fact, not “just a baby.”

Moni x3: Has it bit you at all? Scratching?
Yuri: Oddly enough, I don't think so.
Yuri: I am going to the doctors after I get it out of my house. I will be missing club today.
nat: girl i hate to break it to you but you let it in
Yuri: I know.
Yuri: I read up this time :)

10:45 AM:
Yuri: Not rabid. Although the doctor did advise me to stop touching wild animals and see a psychologist. I might miss another meeting on the 8th.
“Yuri” has been changed to “NOT RABID ”
NOT RABID : Thanks
nat: you or the raccoon?
NOT RABID : Both? I'd assume. I didn't bring the raccoon with me, so there is a possibility it's just me.
“NOT RABID ” has been changed to “Yuri”
Moni x3: If you’re already done with the appointment, why don’t you come back to school?
Yuri: I was supposed to do not just one, but two presentations today.
Yuri: My ulterior motives are incredibly low, and I am sorry. If my tardiness regarding clubtime is an issue, I could sneak in through the backdoor if you’d like.
Moni x3: Noooo there’s no need for that. Enjoy your rabies-free day!
nat: LMAOOOO YEAH GIRL I GET IT
nat: i would rather bite off my own hand than do this presentation rn
Yuri: Likewise.

4:25 AM:
Yuri: [bird held like hamburger]
Yuri: kity :)
Sayori ☀: OH MY GOD
Moni x3: I'm about to put her on house arrest.
Yuri: [the bird actually isnt too peeved about it]
Moni x3: Yuri, where are you? Certainly if you can send images you can find the location button.
Yuri: [just pavement]
Yuri sent [location]
Moni x3: Oh wow you actually did it
Moni x3: Stay there, I'm on my way And put the bird down while you're at it, if you haven't.

4:27 AM
Moni x3: Yeah shes sleepwalking and texting somehow. Impromptu sleepover starts now

6:55 AM:
Yuri: I am so sorry.
Moni x3: It's okay, you're not in control of it. Maybe tell your parents?
Yuri: Business trip, gone for the next few weeks.
Moni x3: Ask the doctor more thoroughly about it? Maybe there's some tests they can run...
Yuri: I will try that. I will try to make an appointment.

8:25 AM:
nat: the scariest part of this whole ordeal is that yuri has autocaps off LOL
Yuri: i'm afraid so.
Yuri: I don't know why I have them off, they just are.

10:25 AM
Sayori ☀: cmon yuri... you wanna join us in lowercase...

4:25 PM:
Yuri: Called the doctors and set up an appointment. Will be missing club on the 8th and 27th of next month.
Moni x3: You do know you don’t have to give me this much warning in advance right? Like you could tell us day of if you wanted to
Yuri: Oh, was I supposed to keep it a secret?
Yuri: I lied. I will be missing a meeting eventually in the future. When is anybody’s guess. Just whenever I feel like it, really.
Moni x3: LOL okay
nat: so never?
Yuri: No, on the 27th.
Yuri: Oops
nat: LMAOOOO okay noted never ask yuri to keep a secret
Yuri: :(

7:25 AM:
Yuri: Publicly shaming Monika this fine morning. Her solution to my sudden sleepwalking/texting was to grab me “like kity :)”.
Moni x3: ITS THE ONLY WAY
Yuri: There are plenty of ways, and that was certainly one of the more hazardous.
Moni x3: Well did it not work?
Yuri: ... It did work, yes.
Moni x3: Then I hardly see the problem ;)
nat: not every morning i open the gc and see yuri & monika actively talking about cuddling eachother
Moni x3: Important context you are missing, she has not gotten out of my arms. I also asked first for the record she is being dramatic
Yuri: You are warm, your house is not. Simple as that.
nat: LMAOOOOO

Moni x3: Whats up?
Sayori ☀: are you guys like. together together? are you dating
Moni x3: oops was it obvious?
Yuri: There might have been some words shared last night.
Moni x3: Yuri it was a little bit more than words and you know it
Yuri: They don’t need to know that...
nat: omg i fucking KNEW something was up with you two LOL
nat: moni whats her lipstick flavor
