The Royals and their Knight...

by Demonlike_judge_of_fire

Summary

Basically Kim Dokja and Han Sooyoung are royalty and Yoo Joonghyuk is a knight in training.

Chapter 1

POV: KDJ

Tonight, there was going to be a banquet at the palace. It is actually more of a get together than a party. All the neighbouring kingdoms as well as some pretty faraway kingdoms were invited.

I didn't really want to attend this banquet. I couldn't convince my parents to not let me not attend this ball. My parents mostly let me have my way and let me avoid events, Though, this time I believe it was cause many young princes and princesses were also going to attend this banquet. They probably want me to make some friends.

Though, I don't want to talk to anyone really, I just want to find a quiet corner without any people to read in peace. And my plan was going pretty well, Untill someone came up to me.

It was a girl. I don't know why she approached me but I couldn't care less, but I still looked up from my Book to show courtesy.

She introduced herself,...her name was Han Sooyoung. I introduced myself in return.

. . .
POV: HSY

Tonight, I have to attend some kind of banquet in another kingdom. I couldn't care less about the banquet, to know why it is occurring today. I just wanted to write in peace. But no, I have to attend this stupid banquet.

I was just roaming around but then I saw something in the corner of my eye. It was a boy. He was sitting is the back of one of the sitting areas of the banquet. I almost missed him but what caught my attention was the book in his hand.

(Along with writing, Han Sooyoung loves reading as well and haven't ever met anyone in her kingdom who likes to read as much as she does, so She decided to try talking to him.)

I went up to him.First and foremost, I introduced myself. He introduced himself as well. His name was...

"Dokja,Kim Dokja."

Chapter 2

POV:KDJ

Han Sooyoung and I became great friends. She would visit my kingdom as much as she could. I did visit her Castle a few times but she prefers to meet at my kingdom. According to her, there is no actual reason and that she just likes it here.

(Although, I believe that one of the reason she likes my Castle is because of the library which is far better than her Castle's library. As it has far more novels.)

We cherish our time together as much we can. My parents don't mind, they are just happy I made a friend. I am happy I met her as well.
...
2 years later...

(Han Sooyoung had come to visit Kim Dokja and both of them were talk while walking in the corridors of the palace.)

"That class was stupid." Han Sooyoung grumbled to Kim Dokja. "I don't want to attempt to learn that again."

"Just admit that you are stupid."

"I am not stupid, You're stupid."

"That is something a stupid person will say." Dokja replied then started laughing.

Han Sooyoung got a bit mad by Dokja's laughter.
"Why are you laughing at me!"

"I am not laughing." Dokja tried to stop himself from laughing but failed miserably.

"Just because it was easy for you doesn't mean it is easy for everyone, you piece of shit" Han Sooyoung shouted...

Dokja then replied in a fake posh voice. "That was rude, a princess shouldn't speak profanity."
Then, he started running to avoid Han Sooyoung's angry.

"How dare you!" She started chasing after him to hit him for insulting her.

Both of them till they get tired and slow down. Dokja was now standing at the entrance of the palace's training grounds. Sooyoung is not too far away and is standing a few steps behind Dokja.

Dokja is staring at something or rather someone. Out of curiosity, Sooyoung walks towards Dokja to know what he is looking at.

In the middle of the training ground was a boy that looked around the same age as them. It looked like he was practicing sword fighting.

[Han Sooyoung has activated Midday Tryst]
