Work Text:

"Take it like a good slut," Allie said, as she slid the strap-on into Mary's waiting hole.

"Mmm," was Mary's muffled reply.

Allie wasted no time in waiting for Mary to adjust to the strap–she didn't need to. Mary was *very* well acquainted with it at this point, and had expressed eagerness earlier in the evening about taking it tonight, even digging it out himself. He wanted this, almost more than she did.
He *loved* taking it up the ass, getting vigorously and roughly fucked with intensity and absolutely *no* mercy whatsoever. While bound and gagged, and wearing semi-transparent red lingerie.

Allie loved it, too. And was more than happy to oblige.

Mary nodded vigorously, green eyes blown wide and saliva slowly dripping from his panty-plugged mouth.

Allie chuckled. "Alright."

She manoeuvred Mary's stocking-clad legs over her shoulders, adjusted her own position a bit, then began thrusting again. Another smug grin spread across her face as she watched Mary's eyes roll back into his head. He was *such* an eager little slut.

Picking up the pace, Allie thrusted harder and faster into Mary, the illicit sounds of their dirty little fun echoing through the room–her strap-clad hips slapping against his ass, Mary's wordless groaning, her own heavy breathing, and the slick-and-slippery sound of the lubed up silicone that continuously slid in-and-out of Mary's asshole.

The sounds of an evening well spent.

Deciding to bring things to a crescendo, Allie got meaner and rougher, knowing it'd drive Mary to the edge.

"You like this, you slutty little tranny?" She hissed, slapping him across the face.

Mary startled and yelped, then nodded and whined in response.

"Filthy fucking slut", Allie spat, thrusting even harder and slapping his other cheek. A glance down at his stiff and throbbing cock confirmed that he was *almost* there. Almost.

Just one more push, and he'd topple right over the edge.

Allie grinned wickedly, teeth gleaming and shark-like. One delicate-but-strong hand found its way around Mary's throat, giving it a good squeeze. Mary looked up at her in fake fear, as he struggled in vain against his restraints.

She could feel his pulse throb under her hand, and she loomed over him, hair falling onto his chest like a pale curtain, and snarled into his face.

"You're a dirty fucking whore!"

A few good, hard thrusts punctuated each word, and it was enough to shove Mary over the edge.

His eyes rolled back into his head, drool dripping down his chin, asshole tightening around the dildo, toes curling into themselves, and his entire body jerked and trembled violently. Bursts of cum shot out of the head of his cock and onto his torso, soaking the red garter belt and tiny triangular bra he was wearing.

Allie released her grip on Mary's throat as his orgasmic spasms subsided, letting him regain his breath as she slowly slid the silicone cock from his ass.

Ignoring his pathetic whine, she stood, freed herself from the straps, and turned to pick up a leather paddle from the dresser.

"You ruined your lingerie," she said, nonchalantly, while inspecting the paddle. "It was expensive." She then looked up, another, even more wicked smile on her pretty face.

"I'll have to punish you for that. Make one set of cheeks match the other."

Mary stared at her like a sweaty, red-faced, cum-covered deer in headlights. He struggled vainly, once more, against the ropes binding him to the bedframe.

Allie cackled, in utter, sadist glee, not missing the way her lover's cock twitched back to life.

He was *such* an eager little slut.
