by CoilPuncher

Summary

The playground trio leave after a match and then Skateboard spots you, a wrestler who was feared in the ring and decides to go over and chat with you, Coil and Boombox watch from afar!

The playground trio hung out together in Crossroads after the match, As Skateboard ranted about how they could've won that match if it wasn't for their teammates. Coil chuckled before speaking as, “Forget about them, we'll win the next tournament.” Boombox nodded, “Besides, we tried our best.” Skateboard listened as he sighed in response, they were right, they did their best even though the team was obliterated halfway throughout the tournament. “Y'know what–” He paused, seeing something, or someone. It was you, you were there getting autographs from some inphernals. You were a bit overwhelmed by the attention but kept a smile on your face as you wrote your name on the posters. Skateboard felt his heart hammered against his chest while his face burned red, a dreamy smile formed on his lips, the type of smile he'd get when he's won Boombox and Coil stopped a few steps as they noticed Skateboard stood there. Confused, they walked over and noticed he was staring at you. “Oh, it's [Name].” he said bluntly, Boombox turned his attention to Coil. “You know them?” “Yeah I know them, they're some newbie that joined a month ago, They're pretty popular.” He explained, Hitting Skateboard in the helmet, snapping Skateboard out of his trance. “What the hell man?” He hissed at Coil. “You know it's not nice to stare at inphernals.” Coil teased. Skateboard let out a groan, straightening his posture as he looked back at you. “I'm gonna go talk to her.” Skateboard said, Both inphernal’s eyes widened at his words. “I don't think that's good-” Skateboard was already walking towards you. “And he's gone.” Coil finished. As you finished giving out autographs, a voice said “Hey.” You didn't know where it came from, before you looked down to see Skateboard in front of you. “Oh no, I'm done doing autographs.” You said, Skateboard tilted his head, you could see his eyes slightly through the bangs. “Oh no no, I just wanted to say that you look gorgeous.” You couldn't help but blush, “I uh- thank you!” Meanwhile Boombox and Coil just watched in shock, that you, a feared wrestler in the ring, blushed at a simple compliment? “Say haven't I seen you somewhere?” You asked, “Oh if you mean in the tournaments? That's me.” He answered, leaning against the wall. As you both continued your conversation, you almost forgot you had to be somewhere soon. You both parted ways, but before that, you gave him a folded piece of paper, giving the inphernal a smile as you left. Skateboard looked dumbfounded as he stared at the folded paper in his hands. Coil and Boombox walked over to the inphernal. “She seems nice.” Boombox commented, he also noticed Skateboard was frozen once again. “Hello! Earth to Skateboard?” Coil said as he snapped his fingers. “Huh!” Skateboard yelped. Then, Coil's eyes dropped to the paper, “What did she give you?” He pointed, "I don't know.” Skateboard then unfolded the paper, seeing your number and ‘Call me! Xoxo, Reader” in your handwriting. Boombox read it, he couldn't help but laugh. Skateboard snapped his head to the inphernal, looking at him like he killed someone. “Not funny!” He held the note to his chest. “I'm not laughing at you, skate!” He continued, wiping a tear from under his visor. “Surprised somebody would give a number to someone like you.” The inphernal muttered, Skateboard elbowed him in the chest, teasingly. “Hey!”
