Summary

Marinette decides to come out to Kagami

Kagami stomped to the living room,it had been three months since Project Miraculous took over the world,and Kagami wished everything could go back to normal

Mother, don't you want for things to go back to the way they were" said Kagami as far as she knew Tomoe was part of the Order of the Raven made up of bishops who had been priests of the Diocese of Paris which was lead by Monsignor Laurent, she even built an army of robots to maintain order and act like guards to the archbishop

"This is for your own good,and this is just the beginning I read about another world similar to this one but with far greater magic,me and the Archbishop are working to find a way in that world so we conquer it and claim it as our own then our dark destiny will finally be claimed" said Tomoe not even looking up at Kagami
Then she spoke again "and under no circumstances are you make contact with Marinette Dupain-Cheng, I've been told y'all were hanging out
"Or what" said Kagami
"Young lady I don't like that tone of voice" said Tomoe
Kagami screamed in frustration "we're just friends Mother, I'm going for a walk" she stomped outside and bumped into Marinette

"Kagami I have something really important to say" said Marinette
"What is it" said Kagami
"I've been wondering if at somepoint one of us gets captured by those rusting tincans that are Monsignor Laurent's robots,I have to say... I'm bi and I want you as my girlfriend" said Marinette
Kagami was taken back "Marinette I think this is not the perfect time to play games"
"No it's true ever since you moved here I can't stop thinking about your wonderful face, your pretty hair,and those rosey lips" said Marinette
Kagami blushed "if course I would take you as my girlfriend,but my mother won't approve"
"Screw her the Archbishop and the whole Evil Empire, nothing says a revolution with a kiss" said Marinette as she kissed Kagami on the lips, Kagami enjoyed it
"Now let's go and rally the others,we can blow up Notre Dame with Monsignor Laurent and you mother still in it" said Marinette
"Um let's not take it too far,how about a simple fencing match" said Kagami
"Fine" muttered Marinette
Marinette and Kagami ran off somehow Kagami feels like Marinette won't keep her word and that by tomorrow Notre Dame will still be a pile of rubble
