Dragon Talk

by Rooks_Rook

Summary

Hiccup and Jack talk about what dragon Jack could have

Notes

this came to me via my old note book filled with fics I wrote when I was ten

"You think I could have my own dragon?"

"I don't see why not"

"A Night Fury"

"If you can find one sure"

"What if I just take Toothless"

"Do you really think you could do that"

"Yes"

"Well then don't blame me if you get hit by his tail or dropped off a cliff"

"Would you really let him do that to me Hiccup?"

"If it teaches you a lesson"

"Wow so you hate me"

"The only thing I feel when I look at you is hate"

"I knew it"

"I'm sure you did"

"Really though I think a Timber Jack would be cool"

"Because you share a name?"

"Maybe"

"If that's what you want we can get you one"
