She's So Gone

by ramen

Summary

"you can look but you won't see,
"the girl i used to be,"
"'cause she, she's so gone."

Pre-Issue 4, where Maria talks to Dane about her secret crush on Ali after Ali quitted the Skull Clan.

Dane apologized about calling his sister jealous of Ali with Maria making her own apology about her crash out.

Maria looked at Dane, telling him to come here as she whispered something.

"Wait. You have a crush on her?!?" Dane yelled out with Maria telling him to shush.

"Look, I know I said that not everyone has a crush on her, but I do too." Maria said quietly so Leo doesn't hear them. Dane nodded as he told his sister if they wanted to get Ali back together.

“Yeah, together."
