To Fight is to Live (and to Live is to Fight)

Summary

Or a RyuKen ship manifesto since this pairing is slightly growing on me.

Chapter 1: i. introduction

Welcome to my RyuKen ship manifesto, or Ken Masters/Ryu from *Street Fighter*. Note that this is only going to talk about the 2026 movie *(plus the graphic novels for the movie when that comes out)* because I don't own any of the Street Fighter games or anything like that.

i. About Canon

Street Fighter is a movie adaption of the Street Fighter games (nah really?) and it follows Ken Masters and Ryu (but mostly ~~my goat and silly boyfriend~~ Ken) as they get recruited by Chun-Li ~~(who should had be girlfriends with Cammy White, shaking my head)~~ and confronts M. Bison.

~~Everyone must go watch this movie so we can get the Street Fighter sequel.~~

Anygays. See you next time, where I talk about these two goofyballs (and gush about Ken Masters).
