Pyschological Bedtime

by CateGeo

Summary

Virgil and Remus were unsure if Patton would like watching horror movies. Patton was unsure too. However Patton's mind is now absolutely buzzing with thoughts.

Notes

Intrumoxiety Week Day 7: Halloween/Movie Night

Spoilers for Get Out, US, and Nope.

I had a Jordan Peele marathon for Halloween and Peele's movies make the psychological brain go brrrrr so I gave that to Patton.
Based off a headcanon that I sent here: https://www.tumblr.com/intrumoxiety/825902227412680704/s-c-r-e-a-m-i-n-g-y-e-s-y-e-s-y-e-s-thats-s-o?source=share (yes Jordan Peele movies is where this headcanon comes from because Jordan Peele movies are SO FRICKEN good to just wrap your mind around again and again and again and again)

Patton stared at his phone biting his nail and tapping his foot on the ground.

"Did you know that the police scene at the beginning was because of disappearances of black people surrounding the Armitage house but Rose is able to play it off as classic racial profiling. Oh and Adelaide couldn't talk after the incident as a kid not because she was traumatized but because she was a tethered. And Nope was going to be called "Little Green Men" to insinuate aliens, but Jean Jacket was not a little green man, it's really the greed of money that is the driving force to all the deaths and-"

"Pat" Virgil lazily opened his eyes. "I'm so glad you liked the movies, but it's late." He rubbed his hands down his face to try and wake up a little bit. "Is there any chance we can talk about this in the morning?"

"Oh right. Haha. Sorry."

"Awww." Remus pouted. "I was interested Patty. Unlike ol buzzkill over here."

"I'm interested!" Virgil huffed "That's why I'm asking to talk about it later so I don't miss anything."

"No no. Virgil's right." Patton crawled into bed between the two of them. "It is pretty late and this information will be here in the morning."

Virgil curled up, hugging Patton. "Thank you."

Remus laid down "Fine fine fine." He closed his eyes.

Patton looked up at the ceiling, still a ball of energy "Oh was Adelaide a vegetarian because-"

"Shhhh" Virgil covered a giggling Patton's face "We'll talk in the morning."
