Burps

Summary

Introduction of my two main OCs :p

Zepá Anderson walked the streets of Indonesia, it was the place that he's grown up in for all his life,

Then a person ran up to him, it being Noelle Mann, his boyfriend. Noelle was a trans man, he couldn't get gender affirming surgery due to Indonesia's health laws. (which he thought was bullshit, which in my opinion it is.) He is 15.
